Service Spotlight

Your **Library Mobile App** is full of great tools to make your Library even better! Download the app from your app store, search for **Lakeland Library** in Google or Apple. Log in using the barcode number on your Library card. Don't have a Library card yet, no problem apply online. Visit our website and use the How Do I... drop down menu then select Get a Library Card and in a few minutes you should have a card number to enter and begin using the Library. Have family members with cards? You can add all of them into the app so you always have everyone's card with you. Search for titles or authors, keep track of what you have borrowed and put books on your shelf to read later.

There is even a DIY
"self checkout" when in the
Library, simply tap the Cart
icon, Scan the item and
complete your checkout!
No Waiting!

It's **Summer Reading** time, theme this year is **Color Our World**. Don't miss all the fun events and reading challenges for Kids, Teens and Adults. Events run through the end of July. Visit or Call the Library for more details of events. Information for events can also be found on our website Home page.
