Fall 2025

Libby is the library reading app where you can borrow ebooks and digital audiobooks for free. You can stream books with Wi-Fi or mobile data, or download them for offline use and read anytime, anywhere. Have a magazine that you love and never want to miss? Now in Libby you can subscribe to your favorite magazines, so you never miss an issue!

All you need to get started is a library card. Don't have a Library card yet, no problem apply online and, in a few minutes, you should have a card number to enter and begin using the Libby app.

Search for titles or authors, tag books keep track of what you have borrowed and tag to keep track of things you want to read.
